

Presentation by the Developer of Coles Quarry

BRA has been invited to inform its members that the Coles Quarry developers have arranged to present proposed planning application modifications to any residents who wish to know more on Tuesday 19 June 2018 from 18:00 - 20:00 in Backwell Parish Hall. This will be a drop-in event at which the developers will seek to explain their plans.

Please note: We understand that Backwell Parish Council will NOT discuss Coles Quarry at its next planning meeting on Thurs 21st June, but there will be an update during the full Council Meeting on Thursday 5th July.

BRA will continue to keep members updated as the process continues.
