

## Station Road

Dear Member

We have a further update on the operations in Station Road, which are explained in detail in the email below from North Somerset Council.

Best wishes  
From your BRA Committee

26<sup>th</sup> August 2018

*Dear all,*

*Another Friday evening update.*

*I really do appreciate you bearing with us whilst we complete the works. It has been a bit of a headache this week in terms of access due to the nature of the works and narrowness of the road. I have received a lot of queries and I am doing my best to relay the information I get from our Contractor.*

*Please find below details for the coming week under the road closure.*

*Mon (27<sup>th</sup> Aug) – No works Bank Holiday*

*Tues (28<sup>th</sup>) – Carriageway resurfacing along Station Road between The A370 – The Crescent*

*Wed/Thur (29<sup>th</sup>/30<sup>th</sup>) – Resurfacing of all bellmouths along Station Road (Station Close/Moor Lane/Waverley Road/Amberlands Close/Backwell Common/Westfield Road/The Crescent/Meadow Close/Embercourt Drive)*

*Wed/Thur (29<sup>th</sup>/30<sup>th</sup>) – Construction of 3no. speed tables at Waverley Road/Moor Lane and Embercourt Drive*

*Fri (31<sup>st</sup>) – Construction of 14no. speed cushions and refresh all road markings*

*Thur/Fri (30<sup>th</sup>/31<sup>st</sup>) – Cleaning out all the gullies*

*Trenching and ducting for the traffic signals near the railway bridge, adjusting kerbs, laying tactiles at drop crossings, replacing ironwork, installing posts and signs for the 20mph (Tue 28<sup>th</sup> Aug – Fri 7<sup>th</sup> Sept – the first week in September will be back to temporary traffic lights).*

*I appreciate the works may cause some inconvenience. We want to do a thorough job, which will hopefully mean not returning for 10+ years.*

*The programme is tight but the contractor has assured us they will do their utmost to complete all necessary works within the remaining programme.*

*As always if you have any queries, the Traffic Marshals on-site will have the most up-to-date information on the exact whereabouts of the contractor each day and best points of access.*

*I will endeavour to update you all again next week.*

*Enjoy the long weekend - it has been a long week.*

*Kind regards,*

*James Dawson
